

# 3Com or Nortel Replacement Promotion!

This promotion rewards you when you sell Switchvox and displace 3Com or Nortel gear.

The time is right to help you offer these SMB customers an affordable and reliable alternative to their existing 3Com or Nortel installation. We've created a powerful Jump Start upgrade promo offer to help you seize this market opportunity. When you replace an existing 3Com NBX or VCX phone system or any Nortel system with a Digium Switchvox UC solution between Jan 1 and Mar 31, 2012, you'll receive these additional Jump Start discounts on your replacement system:

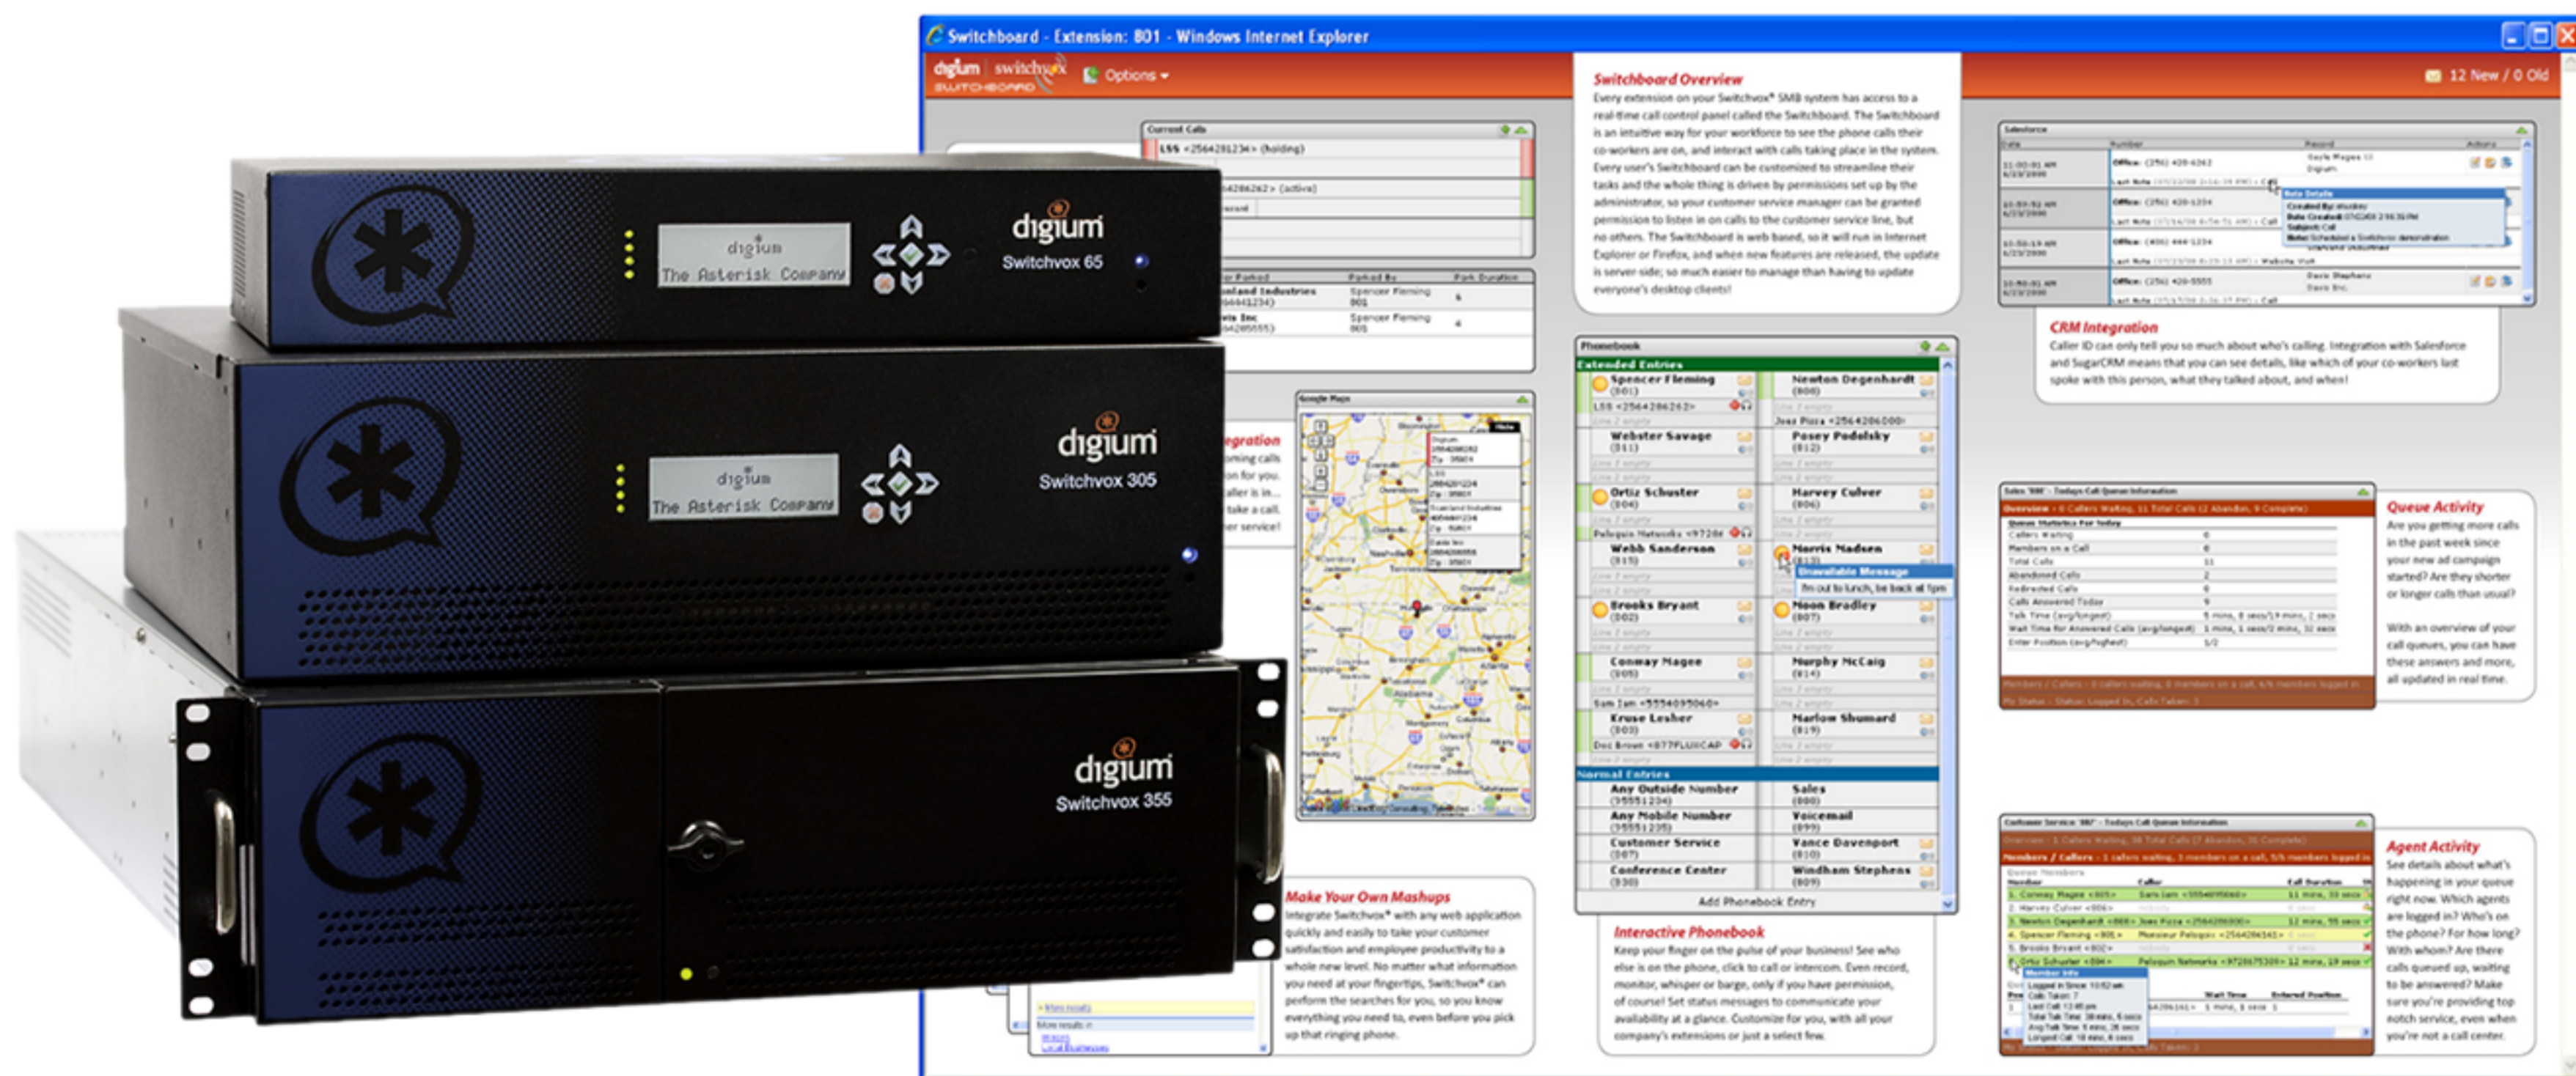

Replace an existing 3Com NBX/VCX or any Nortel phone system with a Digium Switchvox solution between Jan 1st and Mar 31st and receive an extraordinary discount\* on your replacement system and Digium phones!

Receive an additional 15% off MSRP on all Switchvox appliances or single and multi-year subscriptions.

\*\*Please be aware that due to the sizable discount offered on this promotion, only Deal Registration can be "stacked". No other promotions can be stacked. If you have any questions, please contact your channel account manager.

To qualify and take advantage of this promotion please contact your NETXUSA sales representative and reference this promotion when requesting a quote for Digium products.

See pages 2 & 3 for a complete list of replacement products and phones.
